## Message from the President Northern Territory Soccer Federation

The Northern Territory Soccer Federation Board of Directors and Members have pleasure in extending a warm welcome to all players, coaches, managers and referees participating in the Australian Women's Soccer Association National Youth Championships. I also welcome interstate visitors to the championships.

The tournament is very important to the development of women's soccer in the Territory. We sincerely thank you for providing us with the opportunity to host the championships in Darwin thus allowing our young players to partake in a National competition on their home turf.

During your Darwin visit you will experience our relaxed lifestyle and friendly Territorian hospitality, but please be aware and heed the warnings around our waterways and beaches. You have probably heard many stories about crocodiles; they are all true, be careful.

I wish all participants every success during the games and hope that you enjoy your visit to the 'Top End'.

ZIKO ILIC

If you require assistance during the Championships, please contact the Northern Territory Soccer Federation Chief Executive Officer Bill Miller:

## Message from the President Australian Women's Soccer Association

May I extend, on behalf of the Board and management of the Australian Women's Soccer Association, a sincere welcome to all players, officials, and supporters here in Darwin for the 1999 AWSA National Youth Championship.

Opportunities for the female soccer player continue to open up across Australia and worldwide. It is most encouraging to see you are well on your way to achieving your goals with your participation here this week.

In exactly twelve month's time from 13 September, Australia will play host to the world's greatest women's footballing nations for the 2000 Olympic Games. Our own Matildas are now working harder than ever in their quest to do Australia proud on home soil.

In recognition of the tremendous growth of the game here, Australia is also favourite to win the rights to staging the 2003 FIFA Women's World Cup which would indeed signify a major coup for the sport at every level. I look forward to seeing some of you here taking centre stage for that very event.

Youth development will also be of the highest priority in our mission to lift our world ranking. Indeed there were a total of eight under 21 players amongst our 1999 World Cup Team.

My thanks to Bill Miller, Chief Executive Officer of the Northern Territory Soccer Federation and his band of workers, and I wish them every success in hosting and promoting this Championship.

To all participants, I hope you can look back on this week in Darwin with satisfaction, both in terms of the competition and the camaraderie.
